The screenshot shows the Crystal Ball dashboard interface. At the top, there is a navigation bar with tabs for 'Dashboard', 'Tracking', 'DBS', 'Videos', 'Lone Worker', and 'Route Optimo'. A 'More...' menu is open, showing options like 'GeoTag', 'Analytics', 'Reports', 'Alarms', 'Utilities', 'Settings', and 'Applications'. An orange arrow points to the 'Settings' option. The main dashboard area displays 'No Traffic Events' and includes sections for 'Driver League Table', 'Journey Time' (with a bar chart showing driving minutes from 01/02 to 07/02), and 'Lone Worker Session Events'. The bar chart data is as follows:

Date	Driving (minutes)
01/02	180
02/02	140
03/02	90
04/02	110
05/02	120
06/02	250
07/02	0

First, select 'More' and then 'Settings'.

The screenshot shows a web form titled "Driver Group". It contains the following fields and controls:

- Driver Group Name:** A text input field with an orange arrow pointing to it.
- Company:** A dropdown menu currently showing ".Install".
- Active:** A checkbox that is currently unchecked.
- Group Drivers:** A section with a dropdown menu and an "Add to list" button, with an orange arrow pointing to the button.
- Group Users:** A section with a dropdown menu and an "Add to list" button, with an orange arrow pointing to the button.
- Search Results:** Two empty search boxes containing the text "No Group Drivers Found ..." and "No Group Users Found ...".
- Buttons:** "Cancel" and "Save Changes" buttons at the bottom, with an orange arrow pointing to "Save Changes".

Name the driver group and select 'Save Changes'.

You can then add all drivers and users to the group using the left and right drop down bar and selecting 'Add to list'.

Then select 'Save Changes'.
