- Name the alarm and choose the severity of the videos you would like to activate the alarm. For example, only high severity videos.

- You can also add a brief message for display, upon activation of the alarm.

- Select a recipient/s from the list (if the recipient is not listed go to step 5).

- Select a vehicle/s from the right hand side and create a schedule if you would like the alarm to be triggered at certain times/days. This can be left blank if you require the alarm to be triggered at all times.

- Click 'Save Changes'.
